The Honorable Armond W. Scott  
Judge of the Municipal Court for the  
District of Columbia  
Washington, D. C.

Dear Judge Scott:

[REDACTED] who is employed by this Agency, has received notification of his selection as a juror for the Municipal Court for the District of Columbia, Civil Division, to appear for jury duty on 5 July 1950.

It is the announced policy of this Agency to encourage jury service wherever possible as a civic responsibility and to request postponement only in those instances where it is determined that the absence of the individual from his duties will impair the operations of the Agency in a substantial manner.

[REDACTED] is presently engaged in a research capacity which, because of recent developments, has assumed considerable importance. [REDACTED] absence at this time would be severely felt as there is no equally qualified alternate who is available to continue in his stead. It is therefore our considered opinion that the absence of [REDACTED] would sincerely interfere with the ability of this Agency to fulfill certain pressing commitments to other agencies of the Government.

We therefore respectfully request a postponement of jury duty for [REDACTED]

Sincerely yours,

[REDACTED]  
Acting Executive
